Big profits from big priced winners,
the Henry Rix way...

FOR A BRIGHTER FUTURE

Ever stopped to look and see what measly returns you're getting from your savings and investments? It makes grim reading doesn't it?

Well now's your chance to brighten up your financial future with a fun and thrilling way of making your money grow faster. Henry Rix – arguably Britain's most brilliant and respected tipster – Invites you to join his private client service, with a range of membership options to suit each individual.

Henry Rix and Eddie Ahern celebrate after the Lafi gamble is landed.

Such is Henry's expertise and reputation for making bumper profits from big-priced winners year in year out, that you will be involved in some of the racing world's most legendary betting coups.

In addition to lining your pockets, betting alongside Henry will give you an insight and education into how disciplined professionals make their millions.

"Had you committed just £100 a point to all of Henry's selections over the past fifteen years you would have made profits averaging £328 a week. That's a massive, tax free annual salary of £17,056, or a mouth-watering £256,200 over the past fifteen years – more than many of us could hope to save in a lifetime."

And the icing?... The taxman can't get his hands on a penny of it. Unlike most other gains from investments, winnings from gambling are completely tax-free.

"Even smaller backers betting at just £50 a point would be an incredible £128,100 better off than they were in 1996 had they followed Henry."

Find it unbelievable? Well all bets are proofed and checked in advance by the UK's only racing paper the Racing Post.

So don't delay – complete your application form now. You will not be disappointed.

THE BOOKIES FEAR HIM...

"Henry is the most authoritative tipster around and what he selects sets the trend for the day. He has a huge following."

David Hood, William Hill

"I've never known a tipster to be so consistently good over such a long period of time. I know we are not alone in treating him with the greatest respect."

Victor Chandler

"Henry Rix is very, very good. He is the first tipster we look at in the morning – he has a very loyal following."

Stewart Kenny, Paddy Power Bookmakers

"We've reached the stage where all serious punters are required to take note of Henry Rix's opinion."

Mike Dillon, Ladbrokes

Henry accepts the Wokingham trophy for Lafi's Royal Ascot victory.

THE PUNDITS PRAISE HIM...

"On being hired in 1996 by the Racing Post he began to write about his selections in such a spirited and confident fashion that he influenced a whole generation of punters to become fascinated by his methods. I have lost count of the number of 20-1 winners of races like the Hunt Cup and Cambridgeshire Henry has encouraged me to support."
